## 1 Lifetime<sup>†</sup> Shingles

GAF offers you many great Lifetime Shingle choices, including **Timberline<sup>®</sup>** Shingles with Advanced Protection<sup>®</sup> Shingle Technology. They're the #1-selling shingles in North America! Advanced Protection<sup>®</sup> Shingle Technology results in excellent protection for your home while reducing the use of precious natural resources. That's better for your home — and better for the environment!

To learn more about why Advanced Protection<sup>®</sup> Shingles are your best choice, visit [gaf.com/APS/](http://gaf.com/APS/).

## 2 Leak Barrier

Provides excellent protection against leaks caused by roof settling and extreme weather. Ideal upgrade at all vulnerable areas (including at the eaves in the North\*).

## 3 Starter Strip Shingles

Saves time, eliminates waste, and helps reduce risk of shingle blow-off...and may help qualify for upgraded wind warranty coverage (see *GAF Shingle & Accessory Ltd. Warranty* for details).

## 4 Roof Deck Protection

Provides a strong layer of protection against wind-driven rain and moisture infiltration.

The GAF Lifetime Roofing System has earned the prestigious Good Housekeeping Seal, which means that Good Housekeeping stands behind the products in this system. (Refer to Good Housekeeping Magazine for its consumer protection policy. Applicable in U.S. only.)

## 5 Cobra<sup>®</sup> Attic Ventilation

Helps remove excess heat and moisture from your attic to promote energy efficiency in your home and help extend the life of your roof.

## 6 Ridge Cap Shingles

Enhances the beauty of your home while helping guard against leaks at the hips and ridges.

\*In the North, most building codes require the use of Leak Barrier at the eaves.

<sup>†</sup> See *GAF Shingle & Accessory Ltd. Warranty* for complete coverage and restrictions. The word "Lifetime" refers to the length of coverage provided by the *GAF Shingle & Accessory Ltd. Warranty* and means as long as the original individual owner(s) of a single-family detached residence (or the second owner(s) in certain circumstances) owns the property where the shingles and accessories are installed. For owners/structures not meeting the above criteria, Lifetime coverage is not applicable. Lifetime Ltd. warranty on accessories requires the use of at least three qualifying GAF accessories and the use of Lifetime Shingles.

## Revolutionary Cool Roofing

- **Helps Reduce Cooling Costs...** According to the Cool Roof Rating Council, cool roofs may save you an average of 7–15% on your total cooling costs.<sup>1</sup>
- **Rebates...** Some utility companies may provide incentives for using cool shingles.

Thanks to the reflective nature of Timberline® Cool Series® Shingles, part of the heat radiating from the sun gets reflected, helping to reduce the heat in the attic and heat going into the house. It may translate into savings on air-conditioning bills.<sup>1</sup>
